easyStorage Sprint
Debden Airfield, 28th September 2025

This is the second of two Debden sprints organised by the Herts County Auto & Aero Club in 2025 (our 122nd year), generously sponsored by www.easystorage.com/container-storage/hatfield.

Our popular Course 1 has been elected again with a mix of flowing bends, tight turns, fast & slow slaloms, plus a fearsome long straight demanding accurate control. **New drivers are encouraged in our Junior (14-16 years) and Intro (over 16) classes, using "Standard Cars" with an RS Clubman licence (available free from Motorsport UK).**

Our club regularly invests in maintaining the course at Debden Airfield, which is beside Carver Barracks, home of the 33 Engineer Regiment (EOD). The airfield is separated by a security fence from Carver Barracks, to which we have no access. Each person attending will be emailed a pass which must be printed out or displayed on a smartphone at our sign-posted gateway, which is *different* from the main entrance to Carver Barracks.

Overnight camping is permitted; please contact pete@3arc.com for details.

If you cannot compete, have you thought about marshalling? As spectators will not be allowed, marshalling will ensure that you can enjoy a good day's sport. As an incentive, all marshals signing online will receive a lunch voucher for use at our posh catering vehicle. Plus, we'll have a generous cash prize draw for marshals. No experience is necessary, as we have a competent leader controlling each of our marshalling posts.

If you are interested, please contact David Gibbs on 07850 736630.

*Dogs, spectators and **smoking** are not permitted at this meeting*
Unmanned aerial photographic drones are strictly forbidden (A.12)

SPECIAL NOTICE

We co-operate with the MOD and the Environmental Health Department of Uttlesford DC, for the safe use of Debden Airfield for our motor sport events. Our agreement includes several goodwill gestures such as:

- ☐ No competitor should attempt to arrive before 07.00 hours.
- ☐ Modified and Racing cars shall not run engines before 09.00 hours.
- ☐ Timed practice will not start before 09.00 hours.
- ☐ No tyre warming will be permitted.
- ☐ A minimum 30-minute lunch break shall be provided.
- ☐ The timed runs must be complete by 17.00 hours.

See Section 12 of these supplementary regulations for details of the noise limits. Competitors' co-operation with the above will help us to continue providing you with this much-enjoyed venue.

A socially minded standard of behaviour is expected from everyone within the motorsport community.

By participating in a Motorsport UK event in any capacity, you agree to follow the values of the Respect Code.
